CIRCULAR – AUGUST, 2023

Dear Parents/Guardians,

Green Greetings from SVPS Family!

“Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.”

Our students have once again proved their mettle in All India Secondary School Examination (AISSE) - 2023 and All India Senior School Certificate Examination (AISSCE) -2023. Like every year, this year too the result is appreciable. The Management and Staff extend hearty congratulations to the students and their parents. Wishing the students Good Luck for their further studies and bright future.

- ❖ The school is sailing smoothly through the academic session 2023-2024. It is said that school is second home and home is the first school. In this context we would like to share some points to reflect upon.
 - We would like to remind you that at home children learn to be honest, diligent, empathetic towards friends, as well as show utmost respect for their elders and teachers.
 - They also learn to be organized, to take good care of their belongings, and that it is not OK to touch others.
 - With this, we appeal you to help us instill discipline at all times in your children.
 - Please ensure that your ward attends school regularly and keeps the work updated.
- ❖ The weather these days is quite sultry and uncomfortable. There is risk of diseases especially water borne diseases. At this time health needs great concern. Kindly make sure that your ward avoids junk food and takes fresh and healthy home cooked food. It is also very important to take plenty of water and stay hydrated.
