Circular No.07/2024-25   Date: 28 May, 2024

"**Reading is a conversation that takes one to the world of the unknown.**"

Dear Students,

The National Education Policy, 2020 highlights the importance of reading and recommends making available quality literature for children to build a culture of reading across the country.

The Central Board of Secondary Education has launched the CBSE Reading App Powered by Freedom to provide students a platform to engage in reading different types of stories and learning to write effectively. This app is designed to make reading an engaging and rewarding experience for students of all ages. Through this app, CBSE students, teachers and schools will have access to a large digital library, consisting of reading material for Nursery Grades to Grade VIII, sourced from divers set of publishers intext, audio and video formats.

The CBSE Reading App aligns with the NEP's goals of recognizing the need to develop higher order skills such as creativity, critical thinking, problem solving, visualization, and idea generation, by providing a well-designed, levelized and adaptive, one-stop platform.

Follow the instructions mentioned below on how to download and install the app: -

A. Link to a video walkthrough of the process is attached here.

B. Search for "CBSE Reading APP by Freedom"

1. On APP Store or Play Store.
2. Install the app.
3. Open the app and click on 'Get Started' button.
4. School Affiliation code of our school is 2130819

C. As the summer vacations approach, the CBSE Reading App can be leveraged to engage learners in a variety of activities and enhance their key language competencies. Students can access a large digital library, consisting of reading material for Nursery Grades to Grade VIII, through the use of this app.

Furthermore, to promote reading amongst the students, the Board is planning to attempt **the Guinness World Record** for "the most children reading at one time" on 19th June 2024. This activity will be done on the CBSE online technology platform "CBSE Reading App".
