CIRCULAR – OCTOBER (The Month of Festivities) 2023 NURSERY – STD. XII

Dear Parents / Guardians,
Green Greetings from SVPS Family!

India is a land of festivals. All festivals teach us to keep the fervour of togetherness alive. It is very well said that **“The family that prays together, stays together”**.

This is the month of major festivals like Maha Navami, Dussehra and above all, one of the most important festivals of the Hindus. Festivals are **an expressive way to celebrate glorious heritage, culture and traditions**. They are meant to rejoice special moments and emotions in our lives with our loved ones.

All of us love to enjoy these festivals with our friends and family. Besides the celebration and joy, the children must also understand the value of time and manage it by striking a balance between their studies and festivities. Please encourage your ward to chalk out a proper time table which includes study time, play time and quality family time. Though meant for all, it is specially important for the students of Std. X and XII who are going to appear for their board examination in February, 2024. It's time for them to get serious towards their studies as their consistent and diligent work will save them from last minute crisis and stress.

Let's also pledge to spend this month of gaiety and celebration by going green. We all owe a great responsibility towards our planet. Hence, we should refrain from burning crackers and polluting the environment.

October is an unsaid advent of winters and thus we need to take special care of ourselves and our families during the weather change. **Prevention is better than cure**. Please note that depending on the weather conditions, very soon the students will be asked to put on their winter school uniform compulsorily. You are advised to arrange the same well in advance.

Events of The Month:

1. Sunday, 1st October, 2023 – swachhata hi sewa hain (IX to X)
2. Monday, 2nd October, 2023 – Gandhi and Shastri Jayanti (Observation Day)
